Features / Specifications

The Orbital Gateway offers space for up to 3 personalised signs, ideal for roadside advertisements or as a village or town welcome sign. You can personalise with anything from adverts or place names to sponsorship opportunities, choose from a speed terminus sign or local/parish crest for the 450mm diameter 606 sign face.

Ready to install, the unit is available with the below ground stem or with the Orbital LockFast™ Socket which provides for quick and easy replacement, while minimising time spent at the roadside for the improved safety of roadside workers and reduced disruption to traffic.

This product is fully recyclable at the end of its life providing any stickers or graphics have been removed.

Design Features

✉ enquiries@glasdon-uk.co.uk
